The Beatles 1964 Recordplayer - a true collector's item!

This special collaboration between Pro-Ject Audio Systems and the Universal Music Group features one of the most influencing artists of all time The Beatles! The turntable used is one of the most sold audiophile turntables in the world: Debut Carbon Esprit SB! It features high quality and audiophile components, such as an Ortofon 2M Red cartridge, a precision aluminium pulley, an electronic speed control, top notch MDF chassis, an acrylic platter or a completely redesigned motor control. Its sound is both thrilling and relaxing, musical and detailed just like the music from The Beatles, therefore they are perfect partners in crime. The artwork shows copies of tickets from their legendary worldtour in 1964.

This one of a kind masterpiece is limited to **2500 pieces worldwide**.

High quality cartridge Ortofon 2M Red

⇒ Accurate tracking
