

Stereo Box S

Small giant in sound

- High End integrated amplifier with 2 line inputs
- 2x 37 watts @ 4 ohms
- Gold plated connectors for line (RCA) & speakers
- IR remote control for volume, input, power
- Record out with fixed level, can be used for Head Box etc
- Full metal casework
- 3mm aluminium faceplate
- 2 different faceplate colours, black or silver

Technical data

Output power	2 x 25W / 37W @ 8 / 4 ohms (both channels driven)
Frequency response	5Hz - 20kHz (+ 0dB, - 0,5dB)
Channel separation	> 40dB @ 20kHz
Signal to noise ratio	> -100dB (IEC -A)
THD	< 0,05% @ 10 watts
Line level inputs	2 pair RCA
Input impedance	20k ohms
Record out	3,5mm jack
Power supply	20V/3A DC 100 - 240V, 50/60Hz
Power surge	7A peak / < 05 watts standby
Dimensions W x H x D	103 x 36 x 122mm
Weight	720g without power supply

Pro-Ject Stereo Box S is the smallest audiophile integrated amplifier, that combines the features of an Amp Box S and a Pre Box S, in one case with exceptional sound quality.

Stereo Box S pleases your ears, when connected to adequate quality speakers. A timeless look and design makes this elegant device a perfect solution where space matters. **Stereo Box S** can be controlled with a slim-line IR remote, which is within the delivery. A record output is also included, which gives the opportunity to use Stereo Box S with other components like Head Box, as described underneath!
