## TECHNICAL SPECIFICATIONS

Type	Bass Reflex
Ways	2.5
Sensitivity (dB/W/m)	90
Bandwidth (+/-3dB Hz-KHz)	45-22
Power Handling (W Rms)	110
Nominal Impedance (ohms)	8
Minimum Impedance (ohms)	4.1
Cabinets Dimensions WxDxH (mm)	198x313x1056
Net Weight (Kg)	18.1
EAN Code ( Black, White )	3660216004659 / 3660216004697

Range : **ELARA**

Model : LN05

Finish : Black or White High Gloss

Excellent compromise between performance and size, the LN05 is a 2.5-way floorstanding speaker. Its slim, elegant size and design has been developed in a way that ensure excellent sound reproduction. It is equipped with two 135mm drivers. One is dedicated to midrange (voice) frequencies while the other handles low, bass-frequencies.

It is a perfect fit for medium-sized rooms (15 to 30 m2)

Range : **ELARA**

Model : LN02

Finish : Black or White High Gloss

The LN02 is the perfect addition to your home theatre setup. As it is equipped with drivers that have the same membrane as the rest of the range, the sonic homogeneity is ensured. Its compact size allows easy integration into your living room; it can be hidden in furniture, as its reflex ports are positioned on the front.

Range : **ELARA**

Model : LN01

Finish : Black or White High Gloss

The LN01 is a so-called bookshelf loudspeaker. Despite its compact size and single 135mm bass driver, it will seduce you with its musicality and ability to handle and reproduce even low frequencies. Its timeless design allows it to fit easily into all types of interiors.

It is ideal for smaller rooms (10-20 m2)
