Screeneo S4

No Compromise

PHILIPS

Watch, play, listen and browse! **Smart and intuitive**, the **Screeneo S4** is the best compromise.

Supported by an immersive **Full HD** widescreen, an enhanced **HDR** and up to **1,800 Color Lumens**, the Screeneo S4 throws amazing and super-bright images. Want more out of your screen and get immersive viewing experience? The short-throws technology projects images up to **120"** just few meters away from the wall.

No need for extra sound devices, the **integrated boosted stereo speakers** ensure a clean, surround and deep-bass sound.

Stream content, devour TV shows, and **share** all your pictures directly to the Screeneo S4 thanks to **embedded Wi-Fi and Bluetooth**. Connect our Bluetooth gamepads and enjoy thrilling gaming sessions on a huge display.

Screeneo S4 becomes a real companion for all your cinema and gaming sessions on the go or at home.
