## TANGENT PEBBLE RADIO

### Danish Radio Design

Tangent Pebble Radio is from the well-known Pebble design series, characterized by the characteristic fabric contour in fashionable acoustic fabric. Performance and features are plenty, as behind the modern Scandinavian design, you hide all the latest audio and radio technologies you need.

### A Digital radio and Bluetooth speaker

The new Pebble Radio can receive your favourite radio stations from both FM analogue and Digital DAB and new DAB + platforms. It's also equipped with Bluetooth technology so you can stream your own music wirelessly from a smartphone, tablet and other devices.

### Music on the go

Just insert four AA batteries into your Tangent Pebble Radio to enjoy quality sound from the radio or Bluetooth device anywhere in and around, or away from home.
