Essential III Sgt. Pepper's Drum - a true collector's item!

This special edition and collaboration between Pro-Ject Audio Systems and The Beatles has brought out a turntable which was inspired by the most successful Beatles album ever - „Sergeant Pepper's Lonely Hearts Club Band“. The album is known as a milestone of music history in terms of commercial success as well as artistic breakthrough. No other album has been produced with such high efforts! This special edition's design of our Essential III turntable shows the base drum of the infamous album. Many myths and theories have been created because of this album and especially because of its cover.

In celebration of the 50th jubilee of this unique masterpiece we want to offer all fans of this legendary album the opportunity to give their beloved record an additional place in their livingroom!
