

PHILIPS

NeoPix 250 Smart

NPX250/INT

Big-Screen Brilliance, Anywhere You Go!

Say goodbye to bulky projectors and hello to breathtaking Full HD 1080p visuals—anytime, anywhere! The Philips NeoPix 250 Smart is designed to redefine entertainment, featuring a 180-degree rotating stand that lets you project on any flat surface effortlessly. Enjoy an immersive 80" screen in stunning detail, whether you're watching movies, gaming, or sharing moments with loved ones.

No more hassle with adjustments! The NeoPix 250 Smart features Instant Setup, which automatically corrects skewed or blurry images, giving you a crystal-clear 16:9 display every time you turn it on.

With the Google TV streaming device included, enjoy your favorite shows, movies, and more from popular platforms, making this projector as adaptable as any modern smart TV. And with dual-band Wi-Fi connectivity, you'll experience seamless, uninterrupted entertainment every time.
