Impressive active noise cancellation and transparency mode lets you find focus or relax in any environment you find yourself in. A stylish charging case protects the earbuds wherever you go, and provides two further charges, bringing total play time up to 20 hours.

100 words:

Beoplay EQ are sleek, wireless earphones with precise, powerful sound, and a secure fit. Impressive active noise cancellation and transparency mode lets you find focus or relax in any environment you find yourself in. An array of sensitive and highly directional, beamforming microphones ensures all your calls are crystal clear. Intuitive user controls mean you're never distracted from the task at hand. A stylish charging case protects the earbuds wherever you go, providing two further charges, bringing total play time up to 20 hours.

KEY SELLING POINTS

Active Noise Cancellation earphones

Beoplay EQ earphones feature Active Noise Cancellation with excellent in-ear passive sealing. This, combined with the Bang & Olufsen app, gives Beoplay EQ impressive noise cancellation and powerful listening customisation capabilities, no matter the environment you are in. Easily enable transparency mode if you want more awareness of your surroundings.

Precision sound

Finely tuned by our acclaimed sound engineers, Beoplay EQ earphones offer a precise and immersive listening experience that stays true to how the artist intended their music to be heard. Beamforming technology – an array of highly sensitive, directional microphones – ensures all your conversations are crystal clear.

Sleek design

Beoplay EQ express classic Scandinavian design values with a contemporary feel. From their elegant, minimalist look, simple user controls, and an ergonomic shape that fits snugly and securely in your ears, Beoplay EQ earphones exemplify the refined yet distinct experience that Bang & Olufsen always strives for.

Premium aluminium charging case

Robust and tasteful, Beoplay EQ's compact charging case is crafted from premium-grade aluminium, protecting your Beoplay EQ wherever you go. Beoplay EQ deliver 6.5 hours of play time per charge, with two further charges in the case – bringing the full play time capacity up to 20 hours. It is Qi-certified for fully wireless charging.
