compact and accessible*

# Screeneo S2 | Story

The Screeneo S2 is your essential companion to introduce a **theatre-like experience at home**, packed in a compact design.

Versatile and connected, the Screeneo S2 delivers a large, sharp and bright image in HD with **up to 1,000 Color Lumens**. Want more out of your screen and get immersive viewing experience? The short-throw technology projects **images up to 120"** just few meters away from the wall.

No need for extra sound devices, the **integrated boosted stereo speakers** ensure a clean, surround and deep-bass sound. Stream content, devour TV shows, and share all your pictures directly to the Screeneo S2 thanks to **embedded Wi-Fi and Bluetooth**.

Screeneo S2 becomes a real companion for all your cinema sessions on the go or at home with the **smart Android system**.
